

CRITICAL PRAISE FOR
VANCOUVER SLEEP CLINIC'S
REVIVAL

"[Part of] a lineage of fantastic art and artists that come from Australia."

—Zane Lowe

"Their most recent release, the debut Revival album, is a modern mastery of his vision: ethereal, atmospheric, and with just the right amount of electronic mixed in, we were hooked from the first track."

Milk

"The music they create is so rich and soothing it can indeed lull listeners into a quiet daydream."

"Ambient and serene"

MUSIC BAE BLE

"VSC is showing that all other artists in his field better step their game up fast. This is epic-sounding indie-folk that's setting the bar high."

SIMPLY GOOD MUSIC

"For a mellow time, listen to Vancouver Sleep Clinic."

NYLON

"With its heavenly composure, echoic harmonies, and gentle falsetto, a sweet melody whispers in your ear, "Everything will be alright." It is this sensation that you seamlessly come by simply upon hearing the dreamy Australian indie output, Vancouver Sleep Clinic."
