“I’m already preparing myself to be fully consumed by Sarah Kinsley’s debut album *Escaper*...”

NYLON

“merging dramatic, ambitious, and undeniably catchy arrangements with a vocal dexterity and lyrical sensitivity that are truly transporting”

DIY

“The sparkling alt-pop, lush with orchestral flourishes and dramatic energy, recalls Lorde’s *Melodrama*...”

Brooklyn VEGAN

“Kinsley’s latest release... proves that she has far surpassed the finishing line, her passion for producing and singing establishing her as a world-class artist and a well-rounded visionary with an incredibly promising future ahead.”

FAR OUT

“The artist has become synonymous with her trailing soft soprano vocals and dark, fast-paced basslines—a classic musical composition that Kinsley manages to imbue with fresh new energy.”

L'OFFICIEL

“Sarah Kinsley, however, seems to have stumbled upon the philosopher’s stone of this musical transmutation, turning base elements into pure gold with her debut album, *Escaper*”

DORK

“A rare and precious talent has arrived”

THE Sun

“If one could jump between the future and now, catching comets in a net or just using your imagination to propel you there, *Escaper* would be the perfect soundtrack companion.”
