CRITICAL ACCLAIM

"The album opens up a world of irresistible progressive soul, bonhomie party anthems, and messages of resilience as Tank and the Bangas have solidified a singular path in music."

BET

"These songs have a ton to say...and it's just carrying on in this kind of feast of celebration that Tank and the Bangas have been doing so well for so long"

npr

"Songs like 'Move,' a kaleidoscopic neo-soul wonder that features guest vocalist Lucky Daye, or the piano-filled R&B dazzler 'Go Your Own Way' featuring HaSizzle, both great examples of the band's continued trajectory on *The Last Balloon* — where the only way is up."

SPIN

"The record carries the spirit of New Orleans in every corner of its layered production and spoken-word soulfulness"

VIBE

"A stacked deck of tracks that offer inspiration, romance, boasts and party-starting jams that make for an unforgettable listen."

SOULBOUNCE

"Tank and the Bangas established a swirling mix of joy, poetry, grooves, hip-hop, soul and pop. They honed that sound on *Red Balloon*. And now *Last Balloon* continues the band's evolution"
